Restated figures for SKF's business areas for 2013 and 2014

As earlier announced, SKF operates through three business areas as of 1 January 2015. The main structural change was the merging of the two previous industrial business areas, Strategic Industries and Regional Sales and Service into one business area, Industrial Market. Financial figures for 2013 and 2014 have been restated to conform to the new structure and are available for download on the Group's website: <http://www.skf.com/group/investors/>.
