

# Upgrade or competitive trade in with 3 years 'product support plan' cover for only £19,750!

**Promotion ends 31st December 2009**

Promotion available for a limited period at a fixed rate, offer applies to direct end users only. Trade in for a pair ie: software and data collector, not individually. All offers include 3 years 'psp' cover for SKF hardware and software.

The UK Reliability Systems team will help the customer to ensure a smooth transition, whilst enabling state of the art PDM technology.

**Software and data collector to exchange or upgrade:**

- PRISM<sup>2</sup>/PRISM<sup>4</sup>
- CMVA 7/10/30/40
- CMXA 50
- CMVA 55/60/65
- DI1100IS
- Other non SKF analyser and software

**Promotion applicable to the latest SKF Microlog instruments with @ptitude Analyst software:**

- Microlog GX-M kit
- Microlog 51-IS kit (ATEX Zone 0)

**Additional trade-in/upgrade offers are also available for other Microlog models with @ptitude Analyst software.**

- Microlog GX-M (ATEX Zone 2)
- Microlog GX-S kit
- Microlog GX-S (ATEX Zone 2)
- Microlog AX-M/AX-S/AX-F kits

Prices and details available on request, please contact Stacy-Ann McKenzie for further information.
