

The SKF logo is rendered in a bold, blue, sans-serif typeface. The letters are thick and blocky, with a distinctive design where the top and bottom horizontal strokes of the 'S', 'K', and 'F' are slightly offset from the vertical stems. A small registered trademark symbol (®) is positioned to the right of the 'F'. The logo is centered horizontally and is framed by a thin red line that curves at the top and bottom corners.
