To whom it may concern

Change of company name

Dear Sir or Madam,

From September this year, SKF Blohm + Voss Industries GmbH (SKF BVI) and its established brands Simplex and Turbulo will become SKF Marine GmbH. The company name emphasises the Swedish SKF Group's strategic goal of further strengthening its position on the marine market and operating as an important and reliable partner. The change in company name will have no effect on the current sales and distribution structure of SKF BVI. This means that your points of contact will remain the same as before, and all SKF BVI products and services will continue to be provided in the same way as in the past. The same applies to products and services provided by SKF BVI subsidiaries, other SKF companies and/or partner companies. Please be advised that in addition to the company name, the web address and e-mail addresses will also change. We kindly ask you to make a note of the following new details:

SKF Marine GmbH, Hermann-Blohm-Straße 5, D-20457 Hamburg, Germany,
Phone: +49 (0)40 3011-0 mail: info@skf-marine.com www.skf-marine.com.

The same applies for your personal contacts at our company. The new e-mail addresses will take the form of firstname.surname@skf-marine.com. Should you have any questions or require further information, please do not hesitate to contact us.

Kind regards
SKF Marine GmbH

Dipl.-Ing. Martin Johannsmann
CEO

Dipl.-Ing. Mathias Rusch
COO
