SKF makes Group Management appointment

Gothenburg, 30 August 2019: SKF has appointed Thomas Fröst a member of Group Management, with effect from 1 September 2019.

Thomas has held the position of President, Industrial Units since 2017. In conjunction with the appointment, his area of responsibility is being renamed Industrial Technologies. These steps reflect the strategic importance of further integrating all aspects of SKF's solutions, including seals and lubrication systems, into the Group's customer offering.

Thomas joined SKF in 1988 and has held various senior positions, including Head of Industrial Seals, Marine and Marketing.

Aktiebolaget SKF
(publ)

SKF's mission is to be the undisputed leader in the bearing business. SKF offers solutions around the rotating shaft, including bearings, seals, lubrication, condition monitoring and maintenance services. SKF is represented in more than 130 countries and has around 17,000 distributor locations worldwide. Annual sales in 2018 were SEK 85 713 million and the number of employees was 44,428. www.skf.com
